ABOUT THE EVENT

THE GOLD RIBBON GALA

Each year, dedicated volunteers from the Children's Cancer Family Foundation (CCFF) join forces to create an unforgettable event: the annual Gold Ribbon Gala. Taking place each spring, this inspiring gala is CCFF's largest and most impactful fundraiser, bringing together the community to celebrate the organization's mission and to rally support for one of Northeastern Wisconsin's most vulnerable groups—children and families facing the challenges of pediatric cancer.

MISSION

To provide financial assistance to those in our community battling a pediatric cancer diagnosis.

VISION

To help local families preserve their family life, when life as they know it has been turned upside down.
